Introduction

It is the responsibility of the head of centre to ensure that St Matthew Academy has a written conflicts of interest policy in place available for inspection. This policy confirms that St Matthew Academy:

Manages conflicts of interest by **informing the awarding bodies**, before the published deadline for entries for each examination series, of:

- Any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units
- Any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units **and** maintains internal records of **all instances** where:
 1. Exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the centre itself or other centres
 2. Centre staff are taking qualifications at their own centre which do not include internally assessed components/units
 3. Centre staff are taking qualifications at other centres (GR 5.3)

Purpose of the policy

The purpose of this policy is to confirm how St Matthew Academy manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

General principles

A process is in place to collect declaration of interest from all centre staff to identify and mitigate any potential conflict of interest.

Declaration process

All centre staff will be asked to complete a Declaration of Interest via a google form. The results will be overseen by the exams officer.

Managing conflicts of interest

The exams officer will review centre staff's declarations of interest and highlight any potential conflicts of interest to the SLT member with responsibility for exams.
